

ASSIGNMENT 13

Kitchen Design Academy

Client brief:

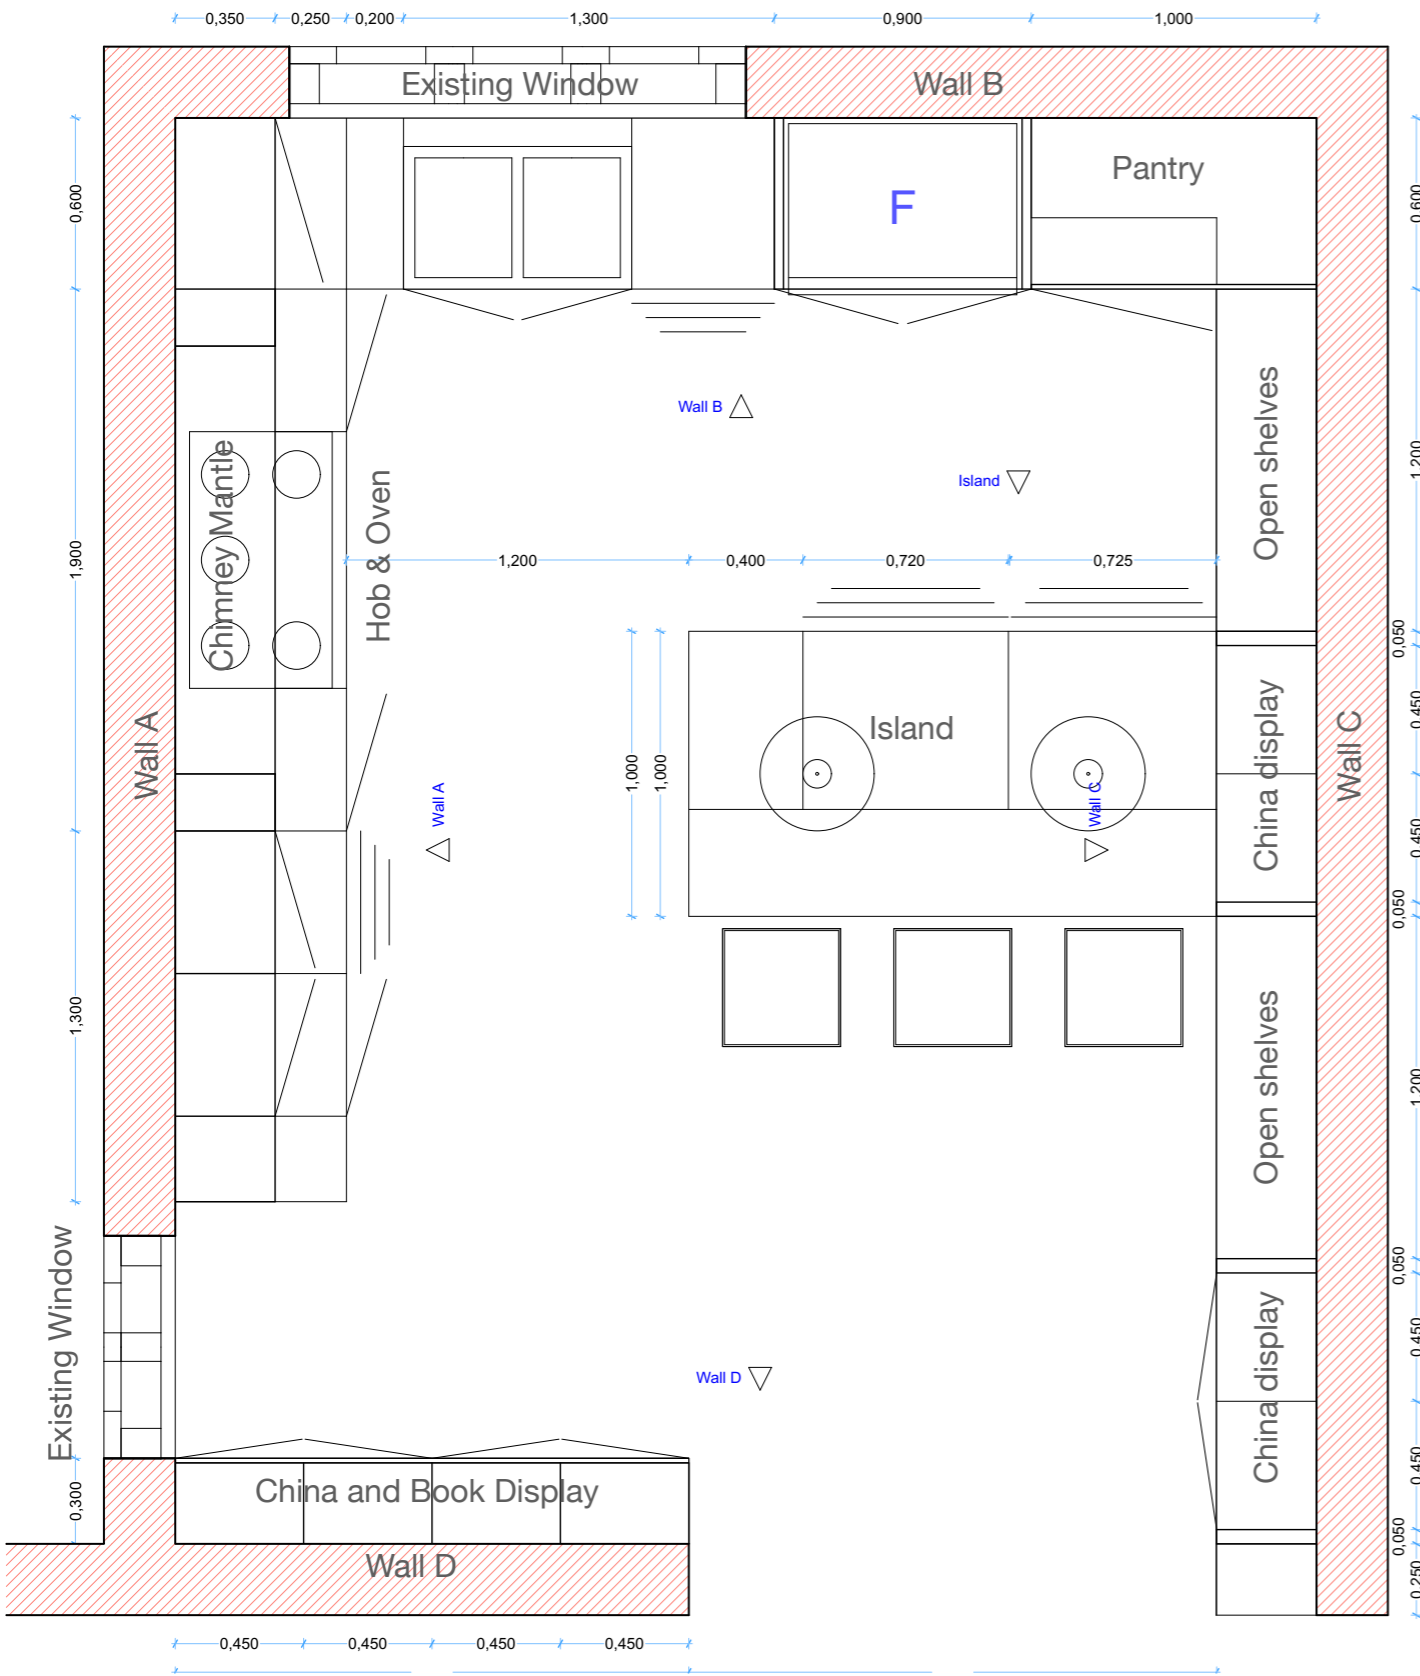

-Lovely couple, late 50's. Both work full time. Would love to have the country style kitchen in their 100 year old house. No structural work required. Love the timber top and asked about hot dishes placed on the top. They would like to have an island with few stools. Mary has an extensive collection of French china she would like to have on display in the new kitchen. They both cook and have a large cook books collection..

The room is 5000x4000mmx3000mm high. The kitchen layout will be L with an island. You will have to decide on the size of the island.

Appliances list:

- Ascot cooktop- freestanding 900mm gas top with electric oven.
- sink-Butler sink, 800mm wide
- range hood-undermounted 900mm wide
- Fridge freezer-800mm wide x 1720mm height
